

In the Supreme Court of the State of Alaska

Andy James,

Appellant,

v.

**Alaska Frontier Constructors, Inc.,
Nanuq, Inc.,**

Appellees.

Supreme Court No. **S-17353**

Order

Motion to Supplement the Record with
Sealed Exhibits

Date of Order: **07/01/2019**

Trial Court Case No. **2BA-16-00282CI**

On consideration of the unopposed motion to supplement the record filed by Andy James on 6/28/2019,

IT IS ORDERED:

The motion is **MOOT**. Supplementation of the record is not needed because the requested documents are in the record (R. 1640). Records sealed by the trial court retain that status on appeal. App. R. 512.5 (a)(1). Since the exhibits in question could not be opened by court personnel, they could not be paginated; however, they are available for the court to review. Admin R. 37.5(c)(5). This should not prevent either party from citing to the sealed portions of the record in a way that will direct the court to a pertinent document. For example, R. 1640 (Ex. 7 (sealed)).

In light of the above, the motion for extension of time is **DENIED**.
